

The Nissen Public Library is pleased to offer a disk repair service for CD's DVD's and gaming disks. While this repair process is usually beneficial, there is the possibility that it will not be able to accomplish any significant degree of improvement for your disk, and in some rare cases it may harm the disk or the data on it. In consideration of the attempt to repair your disk, by signing below you hereby waive and release, on behalf of yourself and also on behalf of all others who may claim an interest in the disk, all claims for costs or damages (whether direct, indirect or consequential) for loss or damage to the disk or its data. Service fee is \$2.00 per disc.
